Dear Sponsor,

Haverstraw RiverArts & Music Festival brings a day of arts, craft, food and education to the Village of Haverstraw each year. Our mission is to unite the community through cultural activities. We aim to provide a magical experience bringing diverse cultures and multiple generations closer together on the shores of the Hudson River.

Haverstraw RiverArts Organization is a volunteer group of professionals who donate time and talents to make this unique festival happen. Now in its fourth year, we are as excited as ever to roll out our next art and music festival on September 24th, 2017.

We'd like to invite you to be a part of this community-building effort by helping to sponsor this special event. Individuals and corporate sponsors like you enable us to provide this fantastic day in the park free of charge. The Village of Haverstraw is a diverse, multi-cultural community. Its residents range from low-income to middle class. We think cultural activities help to bridge the gap that can occur in such a community and elevate the quality of life for all, especially those with fewer means.

The Haverstraw RiverArts & Music Festival has been met with great enthusiasm from residents and visitors, and now we'd like to expand our offerings. Your funding would allow us to feature additional programming, such as theatrical performances and more children's activities. It would also enhance the incentives we provide professional artists.

Please consider supporting Haverstraw RiverArts and Music Festival with a tax-deductible donation. Grant-writing and fund-raising have brought us amazing growth in our public funding, which helps support our FREE initiative. But we still need to raise gifts from individuals and corporations such as you to continue our innovative festival!

Thank you and we hope to see you there,

Richard Sena
President
